FOR ATTENTION	Human Resources
CLOSING DATE	22 July 2019
POST	<u>ELECTRICAL ENGINEER/TECHNICIAN – ANTARCTICA (APPROXIMATELY FIFTEEN MONTHS CONTRACT) (OC17/2019)</u>
SALARY	R 470 040 p.a (plus 37% lieu in benefits)
CENTRE	ANTARCTICA SANAE BASE
REQUIREMENTS	An Electrician with a passed trade test or National Diploma or Degree in Electrical Engineering or relevant comparable qualification with a minimum of three years post trade experience. A wiremans license, at least as 3-phase tester, would be ideal. Competent in low voltage 3-phase electrical plant maintenance, diagnostics and repairs with a proven fault-finding capabilities. Preferably have experience in a facility or plant environment. The incumbent has to be familiar with good workshop practices, correct use of basic workshop tools and an understanding of current work, health and safety policies. Being registered as a master electrician or experience in a hospital environment would be an advantage. The incumbent must be computer literate, have good verbal and written communication skills and the ability to work in a team.
DUTIES	The incumbent will be responsible for the maintenance, faultfinding on and repairs of the electrical services and equipment of our Antarctic base including the electrical systems of the power generators, air-conditioning, refrigeration, water reticulation and waste water systems. Operate Caterpillar machines and cargo handling equipment. The incumbent will be part of a technical team, led by a technical team manager that has to perform any additional base related technical functions. Prepare of monthly and annual reports, do stock-takes to order spares and equipment and do other common "non-technical" duties performed by expedition members. The incumbent could be tasked to lead and manage the whole technical group at the base.
NOTE	The incumbent will execute duties at an Sub/Antarctic Base and adhere to the health, safety and environmental requirements. The successful applicant will spend a full year (December 2019 to February 2021) at SANAE base. <i>There is no option to return to South Africa before February 2021.</i> The ability to work and live with small groups of people is thus essential. Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships.

Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work. In addition the successful candidates may often be called upon to work long hours in extreme conditions on duties unrelated to their function. Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment. Appointment to these positions is subject to a rigorous medical examination, which will be arranged for at no cost to the applicants.
